Facsimile	315.824.0919
Emergency	911

A message to all Hamilton community members from Chief Rick N. Gifford.

My heart felt greetings to all. In recent days I have learned that many members of our community have relied on some social media sites for neighborhood information regarding crimes in their neighborhood. While I am very much in support of keeping our citizens informed, I am concerned that some of the information publicized from these sites may be less than accurate. In an effort to keep our community well informed with correct information pertaining to public safety issues, we will be posting a "Hamilton Police Blotter" on the village web page. Police Blotter postings are printed to help the residents of Hamilton become aware of incidents that might be occurring in their neighborhoods. Specific details are not posted for each incident as not to compromise the integrity of the investigation. In the event that any citizens have any information pertaining to any of our police investigations they are encouraged to contact the police department. We welcome the "eyes and ears" of the community to help us with information. Every effort will be made to update the Police Blotter in a timely manner.

I consider myself very fortunate to have been given the opportunity to serve this wonderful community as your Chief of Police. I will continue to do my very best to provide Hamilton with the professional police service it expects and deserves.

Most Sincerely,

Rick N. Gifford
