**NATURAL GAS SERVICES
COMMITMENT LETTER**

Date: _____

The Village of Hamilton has committed to providing Natural Gas Service to your property located at:

_____ on or before _____ The

Village will install the below grade service pipe, gas riser, regulator, meter, and other equipment as necessary to provide service per NYS Code. The Owner shall be responsible for the installation and testing of all building piping in accordance with applicable codes and connection to the meter set assembly. The Village of Hamilton reserves the right to inspect all Owner completed piping prior to turning on the gas service.

The property owner/tenant agrees to make a connection to the meter and begin using Natural Gas provided by the Village within 60 days of the Village completing the gas service. If Owner/Tennant does not begin using gas within 60 days of the completion of the service, the Village reserves the right to bill the Owner/Tennant for the installation costs of the service.
