

Deer Harvest Committee Report September 2016

- 1) 2015-2016 Season: 45 Deer were removed from the Village
- 2) All deer were recovered
- 3) All Venison was used by the participants or donated to people in need
- 4) Four were donated directly to the Food Cupboard
- 5) Continuation of the program over the course of years will be vital to success
- 6) Board of Trustee's has approved the continuation of the program
- 7) Colgate Students will be provided data as to numbers and location of deer populations within the Village.
- 7) Program Update (as a response from participants and residence):
 - a) A two week period, from September 15, 2016 – September 30, 2016 has been added
 - b) The second period will begin December 23, 2016 and end February 28, 2017.
 - c) Participants and sites will remain consistent with last year's program for the initial 2 week period; this will be reevaluated for the winter months
 - d) DEC has granted 80 Nuisance Permits for use within the Village.
