Article II. Mobile Food Vendors

§ 112-13. Applicability of this article.

In addition to the provisions of Article I of this chapter, the provisions of this Article II shall apply to any mobile food vendor desiring to operate on any type of a seasonal, or one-time basis in the Village of Hamilton.

§ 112-14. Special regulations for mobile food vendors in public areas.

All mobile food vendors must obtain a seasonal or one-time mobile food vendor's license. These licenses will be issued by the Board of Trustees beginning with applications received on or after January

1 and before January 31 of each calendar year. Licenses shall be valid for only a single calendar year and only between May 1 and October 31 of that year.

- A. No more than two mobile food vendor's licenses will be issued for any public space. Locations shall be specifically approved by the Board of Trustees. No locations on Route 12B or Lebanon Street shall be eligible for a license. No license shall be issued for any location within 80 feet of an established restaurant or retail food business, unless the mobile food vendor is the owner or operator of the established business. All locations must provide for pedestrian access to the vendor from the sidewalk side of the street only. Hours of operation shall be limited to the hours between 9:00 a.m. and 8:00 p.m., unless otherwise approved by the Board of Trustees for any particular application. The Board of Trustees may impose such other and further conditions as it deems appropriate with respect to any particular application.
- B. In the event there is more than one application to operate in a particular space received by the Village Clerk between January 1 and January 31, the space will be awarded to the applicant that held the license for that space during the immediately preceding season. If neither applicant held the license for the space during the immediately preceding season, the space will be awarded by lottery conducted by the Village Clerk. If only one application for the space has been received by the Village Clerk between January 1 and January 31 the space shall be awarded to that applicant. Thereafter, applications shall be awarded on a first-come basis.
- C. Each mobile food vendor must submit proof of all required insurance coverage, including liability and worker's compensation, if applicable, as well as a permit from the Madison County Health Department. Insurance coverages shall be in accordance with such terms and conditions as may be established from time to time by resolution of the Board of Trustees. All mobile food vendors will be required to have a New York State sales tax certificate.
- D. With the exception of a restaurant or other food service business with an established place of business within the Village of Hamilton, mobile food vendors shall pay a license fee for each mobile food vendor's license in addition to any permit fee required under Article I of this chapter. License fees will be determined by the duration (seasonal or one time) of the license, and will be set from time to time by resolution of the Board of Trustees.
- E. No mobile food vendor will be permitted on lawn areas of parks or other public lands without specific permission of the Board of Trustees. Vendor operations shall not interfere with the free flow of vehicular or pedestrian traffic.
- F. Mobile food vendors shall be responsible for all cleanup and removal of debris and trash from their individual sites, and shall provide suitable disposal receptacles for use by patrons.
- G. Mobile food vendors shall be responsible for repair of any damage whatsoever caused by, or in association with, their business to any public lands or facilities. The Village shall have the right at any time and without prior notice to the license holder to repair any such damage and invoice the license holder for the costs of such repairs.
