Section 1. Short Title.

This local law shall be known and cited as the "Residential Demolition Moratorium Law of the Village of Hamilton, New York."

Section 2. Legislative Findings.

- A. The historic character of the Village of Hamilton is a source of pride and enjoyment to the Village and its residents.
- B. Recent demolitions of existing residential buildings and replacement with new construction has created concern that the historic character of the Village is threatened.

(If additional space is needed, attach pages the same size as this sheet, and number each.)

- C. Unless reasonable measures are taken for an interim period to protect the public interest pending the completion of necessary surveys, studies, meetings and required public hearings, further demolitions and new building and land development may occur within the Village that may thereby:
- (1) Preclude or otherwise undermine consideration and implementation of appropriate and salutary planning measures, including the amendment of the Zoning Code, environmental review procedures and other development regulations;
 - (2) Permit significant variations in neighborhoods where the Village may wish to implement changes in the existing Zoning Code and such variations may impede or destroy the integrity of changes which may be proposed; and
 - (3) Create conditions, or worsen existing conditions, which the Board of Trustees hereby finds to be detrimental to the public health, safety, and general welfare.
- D. It is the finding of the Board of Trustees that a review of the Zoning Code and Zoning Map is necessary to determine how to best regulate the demolition of existing residential structures without adversely impacting residential districts and the community character in general, and that the review and possible revision of the Village Zoning Code as envisioned by this local law is necessary to protect the future health, safety and welfare of present and future residents of the Village of Hamilton.

Section 3. Authority and Purpose.

The Board of Trustees of the Village of Hamilton hereby adopts this Local Law pursuant to its general zoning authority under Article 7 of the Village Law for the purposes of addressing the potential threat to the public health, safety and welfare described at Section 2 above.

Section 4. Definitions.

For purposes of this Local Law, the terms “one family dwelling” and “two family dwelling”, as used herein shall have the same meanings attributed to them in section 174-7 of the Village Zoning Code.

Section 5. Intent.

It is the intent of the Board of Trustees to protect the public health, safety, and welfare by enacting this interim moratorium law for a reasonable period. It is the purpose of this local law to comprehensively and timely review the uses that are within the scope of the moratorium so that adequate land use and regulatory controls may be presented for action by the Board of Trustees at or prior to the expiration of the period of the moratorium. During said period, a special committee, the Village Planning Board, and/or such other panel or body as may be designated by the Board of Trustees for this purpose shall complete an evaluation and assessment of existing land use plans and regulations for lands within the Village and make recommendations to the Board of Trustees as to potential amendments to address the potential threat to the public health, safety and welfare described at Section 2 above. The Board of Trustees shall thereafter enact necessary modifications to the Village Zoning Code and/or Zoning Map, thereby a race of diligence will be avoided. The Board of Trustees declares that the enactment of this local law is necessary to protect the public interest, including the public health, safety and welfare, while such examination and modifications are undertaken.

Section 6. Regulations.

A. Except as otherwise provided herein, effective on the effective date of this local law, and continuing until one year from the effective date of this local law, unless the Board of Trustees, by resolution, establishes an earlier date, no application for a permit, zoning permit, special permit, zoning variance, building permit, operating permit, demolition permit, site plan approval, subdivision approval, certificate of occupancy, certificate of compliance, temporary certificate, or other Village-level approval shall be accepted, processed, approved, approved conditionally, or issued for the construction, establishment, or use or operation of any land, building, or other structure located within the R- Family Residential District in the Village of Hamilton for any Land Use Activity that includes the demolition of any existing one family dwelling or two family dwelling, nor shall any such application be accepted, processed or continue to be processed with respect to any such property located in the Village of Hamilton. The prohibition referred to hereinabove shall not apply to the issuance of building permits for structural repairs, renovations or alterations which do not involve a partial or complete demolition of the exterior portions of any existing one or two family residential structure.

B. The Board of Trustees may, by resolution, extend the moratorium period provided for herein by two (2) additional periods not to exceed 180 days each.

Section 7. Supersession of Village Law.

The provisions of this local law, and any moratorium (and extension(s) thereof) enacted hereunder, shall supersede in their application to the Village of Hamilton any and all contrary provisions of Article 7 of the Village Law, including, but not necessarily limited to the provisions with respect to any time periods within which the Village or the Planning Board is required to act in regard to any application, and with respect to default approval of any such application within such time periods as may be prescribed in said Village Law.

Section 8. Appeal Provisions.

A. The Board of Trustees, in its absolute legislative discretion, may elect to hear, or not to hear, petitions for relief from the provisions of this local law. Upon hearing any such petition, the Board of Trustees shall have the power by resolution to exempt or modify the application of any provision of this local law with respect to such request for such exemption or modification upon its determination, in its absolute legislative discretion, that such exemption or modification does not involve the potential threat to the public health, safety and welfare described at Section 2 above, is consistent with the spirit of this local law, and does not pose a threat to the health, safety, morals, and general welfare of the Village.

B. Upon making a determination to hear a petition for relief from the provisions of this local law, the Board of Trustees shall refer such request, along with the complete project application to

which it pertains, to the Village Planning Board for a report of said Planning Board with respect to the effect of the requested exemption or modification relative to the potential threat to the public health, safety and welfare described at Section 2 above. Such report shall be returned by the Planning Board to the Board of Trustees within 30 days of such referral and shall be then placed on the next agenda of the Board of Trustees.

Section 9. Penalties for Offenses.

Any person, firm, entity, or corporation acting in violation of the provisions of this local law shall be guilty of an offense punishable by a fine not to exceed two hundred and fifty dollars or imprisonment of not more than fifteen days, or both. Each day of continuance of an offense shall be considered a separate offense. In addition to such penalties, the Village of Hamilton may enforce this Local Law by injunction and/or such other appropriate civil remedies as may be available.

Section 10. Severability.

The invalidity of any word, section, clause, paragraph, sentence, part, or provision of this local law shall not affect the validity of any part of this local law which shall be given effect without such invalid part or parts.

Section 11. Repeal of Existing Laws.

All ordinances, local laws, or parts thereof in conflict with the provisions with this local law are hereby repealed to the extent necessary to give this local law full force and effect during the effective period.

Section 12. Effective Date.

This local law shall take effect immediately, as provided by law.
