

REQUEST FOR QUALIFICATIONS & PROPOSAL

WATER AND SEWER REPLACEMENT AND UPGRADES ROUTE 12B CORRIDOR - VILLAGE OF HAMILTON

The Village of Hamilton (Village) will be replacing aging water and sewer lines along the Route 12B Corridor as part of a NYSDOT 12B Reconstruction project. As such, the Village is Requesting Qualifications & Proposals from interested engineering firms for the design of the water and sewer replacement project. Firms shall submit with their qualification package a proposed fee & fee structure for design services on the project. Submissions from interested firms must be received at the Village of Hamilton offices by 4:00 p.m., local time, on April 14, 2023 at the Village of Hamilton Office, 3 Broad Street, P.O. Box 119 Hamilton, NY 13346. A full statement of the request with relevant project and submission information is available on the Village website: <https://hamilton-ny.gov>

Dated March 13, 2023

Kimberly Taranto, Village Clerk
