## TRAVEL ADVISORY

### Lane Closures Planned for State Route 12B in the Village of Hamilton, Madison County

The New York State Department of Transportation is advising motorists to expect periodic lane closures along State Route 12B the Village of Hamilton, Madison County, on weekdays between 7 a.m. and 4 p.m. beginning Monday, March 11, through Friday, April 5, to facilitate sewer work, weather permitting. The lane closures will begin at a location just north of the State Route 12B intersection with Wylie and Montgomery streets and progress to Preston Hill Road as work continues.

Motorists should expect delays and follow the direction of flaggers.

Motorists are urged to slow down and drive responsibly in work zones. Fines are doubled for speeding in a work zone. Convictions of two or more speeding violations in a work zone could result in the suspension of an individual's driver license.
